

BECOME A GATHERING SPONSOR

The "I" casts off the illusion of "I" and yet remains as "I",
such is the paradox of Self-realization.

—SRI RAMANA MAHARSHI

Inner Directions is committed to presenting authentic teachings that point the way to spiritual awakening. Our goal is to share—through print, digital media, and public programs—the common thread of our true identity, which underlies all religions and spiritual traditions. For seven consecutive years, the Inner Directions Gathering served to achieve this goal in a public forum. Now, after an eight-year hiatus, the Gathering is back.

The publications that we produce have deep intrinsic value, but do not—in and of themselves—provide enough revenue to make them self-sustaining. This is one reason why the Gathering plays such an important role: it provides the critical funds that are necessary to keep our activities going.

Gathering Sponsorship Works in a Mutually Beneficial Manner

1. It gives you the opportunity to let a community of people—with many of your same interests—know that you're a key supporter of the Gathering.
2. It provides Inner Directions with essential funds necessary to develop the Gathering and pay for many initial expenses, which have gone up considerably over the years.
