Overview

Inner Directions is a nonprofit organization dedicated to publishing distinctive book and video titles that express the heart of authentic spirituality. The online *Inner Directions Journal* express the immediacy of That, which is eternal and infinite within us: the nondualistic ground from which religions and spiritual traditions arise.

Editorial Content

The Inner Directions Journal consists of articles, dialogues, poetry, sacred texts, insights, cooking and media that is both inspirational and practical guidance for living a spiritual life in today's world.

Awards

The Inner Directions print journal earned nominations in *Utne Reader* for design excellence and has garnered praise from around the world for it's rich content.

Demographics

Inner Directions has over 50,000 people who receive regular updates and are directed to the website and the community is growing every day.

Target Audience

The advertising audience includes publishers, speakers, artists, unique products, and special events that represent any aspect of spirituality, Eastern and Western mysticism.

All online ads are designed by our art department at no additional cost to you.

If you prefer to use your own design, please submit a hi-resolution (300) RGB file in either an EPS, PSD, or PDF format. Important: save all fonts as curves or outlines before exporting.
